

Wanting ideas for how you can stay connected to your child in those difficult limit setting moments?

Join us for a free parent webinar

Health
Northern Sydney
Local Health District

Date:

Thursday, August 7th

Time:

6.30-8.00pm online.

Discipline has to be one of the most challenging aspects of parenting. Join us to discover research-backed techniques for effective discipline and limit setting.

This session is suitable for all parents with children from kindergarten to year 6.
